About Us

Founded in 2012 and headquartered in Bangalore, Arrthi Projects is a trusted name in turnkey construction and interior design. We deliver complete residential and commercial solutions—from initial planning to final handover—with a strong focus on quality, innovation, and timely execution. Led by our Founder and CEO, Mr. G. Padmanabhan, a visionary with deep passion for design and construction, we've become a one-stop destination for clients seeking reliable, end-to-end services.

With a proven track record and a growing base of satisfied clients, we continue to turn ideas into lasting spaces. At Arrthi Projects, we don't just build structures—we build trust, value, and meaningful experiences that stand the test of time.

Mission & Vision

To be the most trusted turnkey construction and interior design brand, designing spaces that inspire, endure, and add value to the living and working experience.

To realize client aspirations through customized, full-service solutions with uncompromising quality, transparency, and timely delivery in each and every project we take on.
