Our MD's Message

Mr. Harishkumar Mansukhlal Shingrakhiya

Established in 2024, HSG Gold and Diamond LLC Precious Metals has expanded from a small shop in Dubai to one of the world's largest privately-owned gold and precious metals refiners and trading houses, with a global footprint, and customers across the globe.

We have been blessed to base our operations out of Dubai, a true gateway in service to the East and West under the Trade of Dubai Department of Economy and Tourism. This has enabled us to become international market leaders in providing comprehensive solutions for the physical precious metals industry. We have secured a growing reputation for high-quality services and products, including trading, financing, assaying, refining, producing and minting gold, silver, platinum group bars and other products.

As a company, we consistently seek to outperform ourselves through a stringent focus on customer service and quality, which defines every aspect of our operation. We value our customers, partners, indispensable team and everyone we do business with. We earn our customer's enthusiasm through continuous innovation and process improvement, utilizing the skill and experience of our stakeholders and emphasizing quality and compliance to make a difference.

We measure our business performance in terms of quality, cost-effectiveness and environmental management to ensure long-term sustainability. We are a dynamic organization that believes in change and recognizes the importance of adapting to change. We look into the future, with an eye on institutionalization, maintaining continuity with a primary focus on business process improvement, organizational development, change management, and implementing the best business performance models.

About Our Company

HSG Gold and Diamond LLC, established in 2024, is the modern-day alternative for easy access to gold.

Being a metal of precious value, gold has always been a source for investment, maintaining traditions or simply expanding one's ornament collection. Irrespective of your purpose, our team acts as a single-stop destination for a gigantic collection of diverse kinds of gold jewellery. HSG can be considered a trustworthy platform that deals with noble metal, understanding its value and irreplaceability.

Simultaneously, through our crystal-clear transparency, while selling your gold, customers can sit back and relax while witnessing their gold reaping maximum benefits. HSG thrives as a leading Retail jewellery store in Dubai, a landscape known for its favourable gold prices.

You can take us as the perfect destination to access precious metals in all sizes and shapes. Bars, Coins, Bullions, Ornaments - we offer what you wish for!

HSG consist of industry veterans whose enthusiasm to satisfy our customers is our secret to progress. Owing to their brilliance and creativity, we are now a unique source for premium, antique, and contemporary range of collections in gold. Additionally, due to their consistent efforts to increase the popularity of our firm, we could expand our reign over other exquisite options like silver, diamond and gold-plated jewellery.

MISSION

To be an ultimate source for hassle-free, economical, flexible and diverse designs of precious metals, maintaining their exceptional purity and value.

VISION

To lead the global gold and precious metals industry in responsible sourcing, whilst maintaining a sustainable and transparent network around the world, and to improve our business performance in terms of quality, cost-effectiveness, safety, and environmental management to ensure long-term sustainability.
