About Our Company

Founded in 2021, Beymen Overseas Educational Consulting assists students in realizing their dreams of studying abroad. Under the guidance of founder Robin George, who leveraged his own overseas education, we provide personalized support to students pursuing higher education opportunities outside India.

Originally focused on connecting Indian nursing aspirants with promising opportunities in Germany, we have expanded our services to aid students of all backgrounds seeking education across Europe and beyond. We pride ourselves on genuinely understanding each student's unique aspirations and objectives, guiding them through researching, applying to, and preparing for studies abroad.

Mr. Robin George
President
Reynolds Business International Corp.

As a rapidly expanding organization, we opened our inaugural office in Kannur, Kerala in 2022. Thus far, we have enabled over 100 students and nurses to start their international educational journeys. With over 300 registrations for 2024 and rising, we look forward to persistently empowering Indian students to access life-altering global experiences.

Led by founder Robin George's expertise gained from studying across Europe, we understand both a student's unique needs and the ins and outs of international education systems. We have experience supporting students of all backgrounds seeking undergraduate, graduate, and professional education opportunities worldwide. Whether you're looking to study in Germany, wider Europe, or beyond, Bymen has the knowledge and passion to make your global education dreams a reality.

We envision globally minded, culturally fluent graduates empowered by their international education to engage meaningfully with the world.

 Mission

Our mission is to help students gain life-changing experiences and intercultural skills through higher education abroad.

Our Services

-
- The infographic is a circular diagram with five steps, each represented by a blue circle with a white number and a corresponding icon. The steps are:
- 01. Ausbildung Program**: Icon of a person in a white lab coat.
 - 02. Bachelor/Master's Program**: Icon of a graduation cap.
 - 03. Nurses to Germany**: Icon of a person in a white lab coat.
 - 04. Visa**: Icon of a passport.
 - 05. Schengen visa assistance**: Icon of a passport.
- A central image shows three people walking in a hallway, with a blue circle highlighting the first step.

What We Do :

At Beymen Overseas Educational Consulting, we empower students to achieve their higher education dreams through studying abroad. Our comprehensive services include:

- ✓ Profile building and university recommendations tailored to each student's academic and career goals
- ✓ German language classes to help prepare students for studying in Germany
- ✓ IELTS and OET test preparation to help students achieve their target scores for English proficiency exams
- ✓ Application guidance, from researching programs to essay editing to building a strong overall profile
- ✓ Visa assistance, preparing documentation and advising on immigration requirements
- ✓ Pre-departure support, including guidance on travel, living abroad, and more
- ✓ Ongoing mentoring throughout the process, from start to finish
