

YOUR VISION
OUR SERVICE

RIGHT ANGLE
BUSINESS CONSULTANTS

WHO ARE WE?

Consultancy services are one of the most demanding services in the present days even business cannot deny it.

We started our services with the objective of providing value addition to our clients with our unique hands and professional services in the matters of Finance, Legal and General Administration such as maintenance of books of accounts, ensuring timely compliances, tax re-structuring, follow ups, collections, designing and implementing strategic plans, Transaction and Business Advisory, Audit and Assurance, Corporate Governance, Litigation and Non- Litigation services, Documentation etc.

At Right Angle Business Consultants, we believe that our growth and success is determined by our client's growth and success, we stand by certain Ethics and Values which make us stand out of the crowd and provide high-end professional services, which are a balanced blend of experience and expertise, resulting in a dynamic work culture that is both client-centric and knowledge driven. Our Professional services are used by clients from various sectors including trading, technology products & services, construction, financial services, consulting, hospitality, healthcare, publishing & media, transportation, and other various fields.

Our team complements specialized needs of our clients. This is reflected in the diversity of specializations of our team members. We are a group of constant learners, and we keep on learning industry facts and updates to serve our clients at our best!

We believe in mutual growth and strive to achieve the desired result within the agreed time frame
