Our team comprises highly experienced interior designers, who are ready to push their limits and work towards exploring new ideas and creative implementations directly with our clients. Due to their support and creative brains, you can expect only perfection from us. Their hard work is our inspiration, and the effort they put in for organizational success is heavily valued by the management.

Services

We conceptualize to bespoke designs at AL MASHRABIYA, which are designs that are made to order and adapted to the specific requirements of each individual customer, as well as designs that are beautifully carved into a style that reflects what makes our brand unique. By studying the area, our team of expert interior design and fitting professionals is adept at striking the optimal balance between elegance, sustainability, and functionality. This style is brought to life through the manufacturing of one-of-a-kind and one-of-a-kind works at our base production house, where we grasp the colour tone, space management, as well as our customers and their ideas. AL MASHRABIYA is renowned all over the world for the customized and created materials that we offer.

Interior Decoration

When it comes to the timeliness and accuracy with which we carry out interior decoration and design projects, we are head and shoulders above the competition when compared to the other interior design companies in the area. A comprehensive design firm, AL MASHRABIYA specializes in offering luxury interior design as well as home decor services to its clients. In addition to fit-outs, our services encompass architectural design, interior design, and landscape design for commercial and residential properties.

Joinery

The job of fabricating furniture is carried out in our joinery business by highly talented carpenters who are known for their extraordinary attention to detail, consideration, and accuracy in their work. Our manufacturing operation is outfitted with cutting-edge gear, so we may complete the joinery job without receiving any feedback from our customers. We are proud to offer the most superior wood finishes available anywhere in the country.

Fit Out

Our highly skilled labour team is committed to delivering outstanding service while maintaining a relentless concentration on achieving superior quality and long-term success. Our turnkey interior fit out contracts often comprise the installation of walls, ceilings, floors, furniture, and MEP, and they are carried out in accordance with internationally recognized ISO systems. We offer affordable pricing in addition to flexible payment plans in order to obtain projects for a variety of different budgets.

Metal Fabrication

We offer a wide range of services that include cutting, bending of metals, painting as needed, forming and more. Because the members of our team have worked with various types of metals for more than a decade, you can rest assured that we know what we're doing. Thanks to our skill and years of experience, we understand how to correctly complete a task from beginning to end when it comes to metal fabrication.

Renovation

We assist you in making your current home into the home of your dreams or in giving your office a comprehensive makeover in an efficient manner. We are here for you at every single step of the long way, and we specialize in providing you with high design along with smart solutions to keep your dream within your budget. Throughout the entire process, we will be here for you. The creation of a stunning, faultless, and skillfully carried out execution of an interior which successfully conveys a narrative is our primary objective.

Display Stand

We have been creating and providing high-quality display solutions that are specifically crafted for each market and store from the very beginning of our company, and we have earned a stellar reputation as a result. We promise to offer great outcomes in a timely manner that is both credible and quick, regardless of the scale of the project. Countertop display, floor standing displays, brochure rack stand, etc are some of our specialities.
