Najm Al-Imdad Trading Company

About Our Company

Najm Al - Imdad Trading Company is a leading Saudi-national organization specializing in integrated support services across the hospitality, cleaning, maintenance, and operational supply sectors.

Established in 2011, was originally founded by Fahad Abdul Rahman Al-Humaidhi, in Al-Qasim, Saudi Arabia. Currently run by ambitious next-generation Saudi professionals, the company is driven by a strong commitment to innovation, excellence, and reliability.

We deliver comprehensive, customized operational and labour-oriented solutions that meet the evolving needs of both local and international partners, adhering to the highest professional and ethical standards.

Through our team of highly skilled professionals, we empower advanced operational systems with high digital support and a client-centric approach that ensures efficiency, consistency, and measurable value throughout all services of our departments.

OUR MISSION

Our mission is to provide reliable and dependable support services to optimize operational performance, enhance customer satisfaction across all levels of service, while fulfilling all regulatory compliance, and setting new benchmarks in service quality.

OUR VISION

We envision establishing ourselves as a trusted partner for the entire GCC region, recognized for excellence, innovation, and sustainable value creation.

Why Choose Us?

Najm Al - Imdad Trading Company is always committed to delivering a high-quality workforce and support services that meet international standards. What drives us towards this work culture is our unanimous effort in fostering principles and values that keep us ahead of the competition.

Commitment to Excellence

Our approach is built on professionalism, efficiency, and ethics, with a focus on continuous improvement to ensure client satisfaction.

Strong Maintenance

We provide comprehensive solutions for preventative maintenance, timely response, and continued operations for hotels, commercial buildings, food establishments, and institutional needs.

Reliable Labor

We provide general labor not only to fulfill expectations but also to surpass them with professionalism, innovation, and dedication.

Long-Term Partnerships

We forge long-term relationships by ensuring consistent quality, structured supervision, and measurable standards, ultimately supporting our clients' sustained operational success.

Qualified Professionals

We supply experienced professionals across all support sectors, selected through a rigorous screening and training process.

Technical Expertise

Our technical workforce works with precision, safety, and overall efficiency.

Operational Support

Our services are provided in compliance with the legal framework (Ajeez System).
